### I. JOB INFORMATION

Company name	<b>"Thermal Power Plants" JSC</b>
Type:	
Job title:	<b>Member of Supervisory Board</b>
Duration of the assignment	<b>3 years with possible extension</b>
Duty station	<b>Uzbekistan</b>

### II. BACKGROUND INFORMATION ABOUT "THERMAL POWER PLANTS" JSC (TPP)

The Government of Uzbekistan has been undertaking major reforms in the power sector. Sector oversight functions have been consolidated under the Ministry of Energy (MoE) that was established in February 2019. A subsequent decision was made in March 2019 to unbundle Uzbekenergo into separate Generation ("Thermal Power Plants" JSC), Transmission ("NGU" JSC), and Distribution ("Regional Distribution Network" JSC) companies.

Going forward, based on good international practices, the Government intends to properly sequence the reforms and take actions on the foundational aspects, along with the institutional reforms, which include, among others: (i) establishing an enabling corporate governance structure for the unbundled entities to be effectively functional; (ii) improving the sector policy and regulatory framework; (iii) undertaking energy tariff and subsidy reforms, along with introducing transparent cash flow and management, to ensure financial recovery of the sector utilities; (iv) initiating a clean energy transition with successful private investments on a competitive basis; (v) improving service delivery for the benefit of Uzbekistan's citizens; and (vi) strengthening the human and institutional capacity of the Ministry of Energy.

The role of TPP is entrusted with the carrying out the management of thermal power plants and electricity generating stations, which produce electric and thermal power.
